- When clicked allows for changes

- When unclicked give "Are you sure prompt."

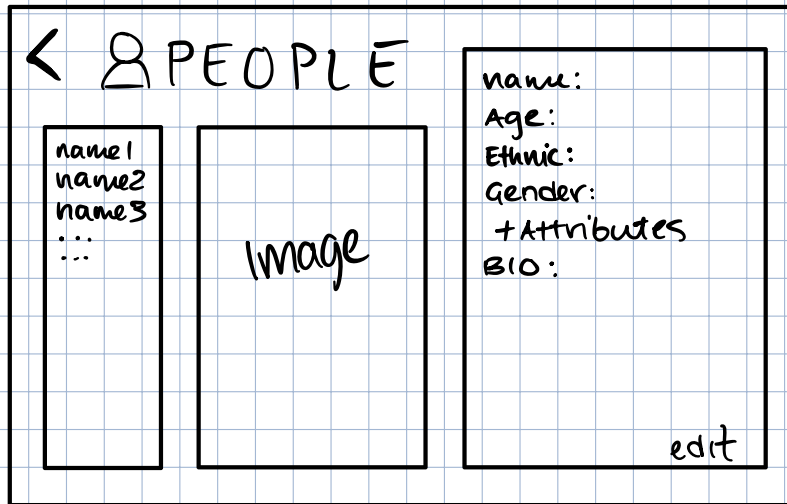

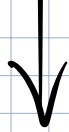

- if yes, keep changes

- if no, revert to previous

Hand-drawn UI mockup of a mobile application screen. The screen is divided into sections. At the top left is a back arrow button. The title bar contains 'NAME' followed by an 'edit' button. Below the title bar are four tabs: 'PEOPLE', 'PLACES', 'ITEMS', and 'TIMELINE'. The 'PEOPLE' tab is selected. The main content area is split into two columns. The left column contains a large box labeled 'map' with an 'edit' button at the bottom right. The right column contains a box labeled 'descripti.' with several horizontal lines for text and an 'edit' button at the bottom right.

### □ Info Page

- Displays Place information
- edit function

clicks "Items"

Hand-drawn UI sketch of an 'ITEMS' page. At the top left is a back arrow and a crown icon. The page is divided into three vertical sections. The left section is an 'Item List' containing 'Item 1' and 'Item 2' with horizontal lines below. The middle section is labeled 'Image'. The right section is a form with fields for 'name:', 'description:', and 'Attributes:', each followed by horizontal lines for input.
